A BILL FOR

An Act to amend chapter three hundred three (303), Code 1946,
relating to the establishment of an industrial and
engineering library at the university of Iowa at Iowa
City and the college of agriculture and mechanic arts
at Ames for public use.

Be It Enacted by the General Assembly of the State of Iowa:

- 1 Section 1. Amend chapter three hundred three (303), Code
- 2 1946, by adding thereto the following:
- 3 "The university of Iowa at Iowa City and the college of
- 4 agriculture and mechanic arts at Ames shall establish and
- 5 maintain within their respective school libraries an
- 6 industrial and engineering library, which shall always be
- 7 available for free use by the residents of Iowa under such
- 8 reasonable rules as each school may adopt."

EXPLANATION OF H. F. 306

Today we maintain state libraries for lawyers and doctors at the state capitol. Iowa is becoming more and more industrialized, and is seeking new industries. To furnish library facilities at Ames and Iowa City for our industrial plants, as this bill provides, will be an additional incentive for industries to establish in Iowa.

Such libraries are in existence, but this act will make them available to all the residents of Iowa.
